

THE BURWELL SURGERY – Patient Participation Group (PPG)

Would you like to join our PPG?

Burwell Surgery's Patient Participation Group started in 2011. Our aim is to help the GP Practice 'to maintain and improve the quality of services available and to provide support to the GP Practice when needed.'

As a PPG we can act as a 'critical friend' to the GP Practice, offering feedback from a patient's viewpoint on services at the GP Practice, in the community and at local hospitals.

We link into wider patient networks so that we can start to influence how local health services are provided and developed and we can provide practical support to the GP Practice, for example, by helping with health promotion events and displays. Registered patients are welcome to join the PPG or alternatively join as a 'Virtual Group' member so that we can keep you up to date with news by e mail or post.

If you would like to be part of the PPG, please leave your details below and hand this form back to reception. If you do not have access to a computer/email please let us know.
