

Thank you!

Essentials by Sue: Helping Young People

Donations continue to pour in from staff and patients. The big black box is back for January.

Following patients/friends and staff contributions Sue Loaker, project lead for Essentials by Sue would like us to share with you the following message

“I would like to express my gratitude to the residents of Burwell and surrounding villages for their generous donations to Essentials by Sue Project. The donations have been distributed to young people living in East Cambridgeshire, that through no fault of their own are not supplied with these everyday items. The project is aimed at helping to safeguard our young people from bullying, build self-esteem and protecting their dignity.

Many thanks to Burwell Surgery for their kind support in promoting the project and placing a donation box in the reception area. It is through the kind ongoing donations from the public that keep this project a success.”

Sue Loaker, Crime Reduction Officer, Ely Police Station

Arthur Rank Christmas Flumpets

We raised over £38.00 this year.
They proved so popular a member of staff drove over to an outlet in Ely to collect extras!
